& Building Codes Department**

**Farmstead Exempt**

I, \_\_\_\_\_ have attached the letter of assessment for the property located at \_\_\_\_\_ to be Farmstead Exempt.

I am waiving my rights under the Farmstead Exemption to a building permit and required building inspections for the \_\_\_\_\_ that I am building on my property.

I understand that I am still required to obtain the required permits and inspections from the Health Department, State Plumbing and State HVAC departments, and I must apply for the required electrical inspections before the electric will be turned on. I also understand that all subcontractors must be identified on the attached form, as required under Ordinance 4-2016, and obtain a Franklin County Business License. Any and all Subcontractor changes will be reported immediately to the Franklin County to the Franklin County, Planning Zoning and Building Codes Office.
